## PROFILE

Experienced Android and web developer with a proven track record of delivering high-quality projects over three years of dedicated academic involvement. Proficient in the intricacies of software development, I excel in creating innovative solutions that elevate user experiences. Alongside my technical prowess, I bring strong organizational skills acquired through office management tasks, and a creative flair showcased in my passion for drawing and editing. Beyond coding, I find joy in competitive 5v5 gaming, reflecting my commitment to excellence and teamwork. Fueling my ambition is a deep-seated desire to explore the world's wonders and savor its diverse cuisines. This drive, coupled with my unwavering dedication, promises to bring fresh perspectives and valuable contributions to your esteemed organization.

## INTERNSHIP EXPERIENCE

### SECURITY MONITORING AND OFFICE MANAGEMENT INTERN

*Local Government Unit of CORELLA – MDRRM OFFICE / 2019 - 2020*

Emphasizes the technical role in surveillance operations alongside administrative tasks within the office environment.

## WORK EXPERIENCE

### BOHOL BRANCH MANAGER

*RCFS & Travel Services Co. – TAGBILARAN CITY / 2023 - Present*

Skilled in staff management, strategic planning, and budget management, with a track record of fostering a positive work environment and maximizing branch performance. Known for strong leadership abilities, problem-solving skills, and a customer-centric approach. Committed to upholding company standards and delivering superior results.

### CASHIER / TELLER

*RCFS & Travel Services Co. – TAGBILARAN CITY / 2022 - 2023*

Proficient in navigating point-of-sale systems and ensuring compliance with financial regulations. Additionally, adept in editing documents and providing administrative support in office settings. Known for attention to detail, strong numerical skills, and excellent customer service. Committed to delivering exceptional results and contributing to the smooth operation of various business functions.

### CONSTRUCTION LABORER

*Hansei Co. – TAGBILARAN CITY / 2020 - 2021*

Skilled in performing tasks such as site preparation, material handling, and equipment operation.

### WAITER / SERVER

## COURSEWORK

### Bachelor of Science in Computer Science

I am currently a third-year student pursuing a Bachelor of Science degree in Computer Science. With an expected graduation date of May, 2025, I am actively engaged in a comprehensive curriculum that encompasses a wide range of foundational and specialized courses. I have also undertaken coursework in Statistics & Mathematics, including Calculus and Discrete Mathematics, which provide a solid theoretical foundation for my technical pursuits. Through my academic journey, I am continually expanding my knowledge and skills in computer science to prepare for a successful career in the field.

## RESEARCHES

### MOTOR PARTS INVENTORY

*BISU – BALILIHAN CAMPUS*

A comprehensive software solution designed specifically for a motor-parts shop. Developed using PHP and MySQL dynamic and interactive web applications, the system streamlines various aspects of shop management, including inventory tracking, sales management, customer relations, and reporting.

### STUDENTS' ATTITUDE TOWARDS RELIGION CLASSES

*CORRELLA NATIONAL HIGH SCHOOL*

This research delves into various aspects of students' experiences, including their engagement with course materials, perceptions of relevance, and personal reflections on the impact of religion classes on their academic and personal development. By examining factors such as cultural background, religious affiliation, and educational context, the thesis aims to provide insights into the role of religion education in shaping students' attitudes, values, and worldview.

## AWARDS
